MEMORANDUM FOR THE RECORD

SUBJECT: Telecon with [redacted]

25X1A

1. Conferred with [redacted] and later with Mr. [redacted] on course of action with respect to go-ahead on Phase II, [redacted]. In particular, I noted that we are proceeding with funding for [redacted] although [redacted] is out sick today. [redacted] stated that the authorizing memorandum for the [redacted] contracts is on its way over to OSA.

2. I suggested an interface meeting in [redacted] next week. This is agreeable to OEL. Purpose of the meeting will be for a basic delineation of the interface between the several contractors and establishment of lines of communication. [redacted] is proposed as the meeting ground, in order that the electronics contractors can get a good feeling for the nature of the beast on which the equipment is to be installed.
